How to Adult:

Real World Financial Decisions

All too often students don't have the perspective necessary to understand the difficult financial decisions adults have to make. This workshop will pair students together and teach them the basics of household budgeting and decision-making. The students will have to make decisions about needs and wants, including housing, transportation, food, childcare, entertainment and more. *Okla. Academic Standards for Personal Financial Literacy 1.1, 1.2, 2.1, 2.2, 5.1*

Courses available

Workshops typically last 45 to 60 minutes.
